

Our Compliments

Grundy Hub is my lifeline; I couldn't be without it. Get Social gave Grandad his life back! I'm convinced that without it, he wouldn't have made it to 95! Thank you for making me feel so welcome and making my life so happy. Grundy Hub is a godsend. First-class treatment! Mum has a wonderful time at Grundy Hub. Get Social gives me a routine. I've never been anywhere so amazing with what's on offer. Grundy Hub encourages friendships, and we do lots of different activities. I like it because I need a hoist to be transferred, so I can come here and feel safe so if I ever need to use the toilet I can use it here. There are not many places I can go where I can go out, eat and just feel safe. Excellent. I would never miss coming to Grundy Hub. The staff are absolutely unbelievable, nothing is ever too much trouble. They care and understand how you feel, about your privacy and the food is wonderful - thank you to all the staff!
