FAQ

Making your booking

Is a care package included in the price of the lodge?

No, the price is for the lodge only. You are welcome to bring your carer with you as part of your party; the lodge sleeps 7 people.

How do I claim the special price as a staff member or on behalf of someone supported by Persona?

When you make a booking enquiry we will ask you what your relationship to Persona is. Once we have confirmed this, we will apply the special price to your total booking fee when we process your booking.

What are the special prices for staff and for people supported by Persona?

Staff can click here to log into the intranet for details of the special price <https://www.personasupport.org/intranet/staff-information/staff-benefits/>

If you are enquiring on behalf of someone we support, please email info@personasupport.org or call 0161 253 6000 and we can let you know what the special prices are.

Making your booking

Why do I have to pay a breakage deposit?

We ask for this to make sure the lodge is welcoming and functional for everyone who stays. We aim to return your deposit within 7 days of your stay, as long as we know where to refund this. You will be emailed with details of this after your stay.

When do I have to pay for my booking?

Your deposit must be paid within 7 days of your provisional booking, to confirm your holiday with us.

The balance of your holiday and the breakage deposit are due 6 weeks before your stay.

We cannot guaranteed to hold your booking if you do not pay the deposit or the balance within these times.

Why haven't I had confirmation of my booking yet?

When you enquire about booking the lodge, we will confirm your relationship to Persona if you are applying for a special price and check that the lodge is available. Then you will get a provisional booking confirmation and you will have 7 days to pay the deposit.

We cannot confirm your booking until the deposit has cleared in our bank account.

If you do not pay your deposit within 7 days we cannot guarantee to hold your provisional booking.

Please note that our booking system is only manned on weekdays and we will get back to you as soon as we can. Thank you for your patience.
